

IN THE SPECIFICATION

Please amend the paragraph on page 1, line 20, as follows:

-- The invention also relates to a data carrier in the form of a computer-readable storage medium storing the computer program.--.

Please amend the paragraph on page 13, lines 27-29 as follows:

-- The invention can be implemented by means of hardware or by means of a software program running on a computer, the software program having previously been stored on a data carrier, e.g., in the form of a computer-readable storage medium, or the software program having been previously transmitted to the computer over a signal transmission system.--.
